

KEY RESPONSIBILITIES (List in bulleted format. Use an asterick (*) or press ALT0149 to create a bullet.)

WHO WE ARE

Power Products, LLC is an international electrical manufacturing company specializing in products and services for the connection and management of power. Represented by its industry leading brands with quality products fit for land or sea that serve the needs of the commercial and consumer electrical markets.

Power Products, LLC is headquartered in Menomonee Falls, Wisconsin. For more information about us and our brands visit www.powerprodlc.com.

If you're looking for a unique, exciting career, Power Products offers challenges & extraordinary rewards for people on a global scale. Choose opportunity – choose Power Products!

We are proud to be an EEO/AA employer M/F/D/V. We maintain a drug-free workplace and perform pre-employment substance abuse testing.

Power Products will only employ those who are legally authorized to work. Any offer of employment is conditioned on the successful completion of a background investigation and drug screen.
